

Questions and answers

Lamborghini Huracan – model years 2018 to 2021.

“Rear view camera software update”

■ What is the issue with the affected vehicles?

Automobili Lamborghini has determined that the above described vehicles were manufactured with a software bug within the infotainment system which when subjected to temperatures below 41 degrees Fahrenheit and after a long sleep may sometimes generate a fault that renders the rear view (back-up) camera inoperable until the next power latch.

■ What is the cause of this condition?

A software bug.

■ What effect does the condition have?

When reverse gear is selected, the rear camera view may go blank screen with a pop up message stating that the rear view camera is not available. Accordingly, these vehicles do not comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 111, "Rear view Mirrors." If the full camera view is blank and the driver does not check their surroundings before reversing, there may be an increased risk of a crash.

■ How can the condition be identified?

A pop up message stating that the rear view camera is not available will be displayed on the dashboard.

Is there any risk for the car occupants?

Automobili Lamborghini S.p.A. is not aware of any accidents or other incidents resulting in injury to a person or damage to property.

■ Which vehicles are affected?

Lamborghini Huracan, model years 2018 to 2021.

■ How many vehicles are affected in US and Canada?

3097 units.

■ Which VIN numbers are affected?

From ZHWUD4ZFXJLA06855 to ZHWUT5ZF6MLA16389; manufactured from January 2017 to December 2020.

■ What exactly needs to be updated on the car?

The rear view camera software must be updated.

■ How long will the repair work take?

Normally, the repair work will take approximately 2 hours.

■ Can customers continue to drive the cars?

Yes, if the problem presents itself customers should restart their vehicles in order to re-establish the correct functioning of the rear view camera.

■ Will Automobili Lamborghini S.p.A. bear the costs of the repair work?

The costs of this campaign will be borne entirely by Automobili Lamborghini S.p.A.

■ Where can I have the repair work carried out ?

Any authorized Lamborghini dealer and Service point worldwide.

■ Is it necessary to make an appointment at the workshop?

Yes, customer should contact an authorized Lamborghini dealer or Service point.
